

BID Board Meeting 3-4-21 at noon

Led by Dan Beukelman Mitchell Main Street President (via zoom)

Present board members (Chamber boardroom) - Matt, Larry, Ben

Present board members (Virtual) - Tonya, Blake

Cash in funds \$70,232.00 (as of 3-4-21 per Michelle Bathke)

Discussed 3 BID applications Brown's Shoe Fit Co., Ed's Pet World, Charlie's Shoe Repair

Larry suggests after looking at the applications that we may miss the opportunity to improve not just replace the downtown Main Street buildings. Possibly a canopy change, visual details of what Main Street could be.

Ben motioned to request further information from each application or for them to attend another meeting March 25 at noon. Larry second the motion. All in favor.
