MITCHELL, SOUTH DAKOTA

5:30 P.M.

PRESENT: Mayor Jordan Hanson, Marty Barington, Mike Bathke, John Doescher,
Tim Goldammer, Dan Sabers, Jeffrey Smith, Susan Tjarks

ABSENT:

PRESIDING: Council President Kevin McCardle

Council Member Tjarks is present by phone.

DISCUSSION:

The City Council met July 8, 2024 for a work session in the Council Chambers of City Hall. City Administrator Ellwein and City Attorney Johnson reviewed lake land which could be platted and possibly undesignated as park land.

Lots 58, 58-A, and 59 are no longer designated as park land but were not previously sold at public auction. Lot 58-B would need to be undesignated as park land for these lots to be sold.

Lot 68-A has existing encroachments, this lot would need to be undesignated as park land and then could be transferred or sold if Council wished to do so.

Lot 108A has also been identified as a lot which could be platted and undesignated as park land.

City Council recommends the above lots identified go through the platting process.

Discussion also took place on platting of additional lots at Lake Mitchell.

ADJOURN:

There being no further business to come before the meeting, Council President McCardle adjourned the work session at 6:30 p.m.
