Sports & Events Authority Grant Application

*****Application must be received no less than 45 days prior to the first day of the event.*****

The many festivals, conventions, and sporting events hosted in the Mitchell area are an important aspect of the region's tourism industry. The Mitchell SEA grant program is designed to assist event planners by providing funds for marketing,

advertising, printing, and postage in the following categories:

- Meetings: conventions, conferences, seminars, retreats, etc.
- Sporting Events: tournaments, competitions, etc.
- Festivals/Special Projects: Other events that generate overnight stays.

The grant exists to encourage tourism in the City of Mitchell or to fund area events that will have a significant impact on a business located in the City of Mitchell, specifically generating overnight stays and/or extending visitor stays at hotel or other lodging options, including campgrounds, in the Mitchell area.

Preference will be given to:

1. New festivals, conventions/meetings, sporting events, and other events.
2. Existing events showing an expanded focus for event/tourism growth. All events must project a positive image of the Mitchell area.

The grant program is appropriated and administered to qualifying organizations by the Mitchell SEA on review by the SEA Advisory Committee. Applicants must provide all of the information requested and be in compliance with all criteria.

Incomplete applications will not be considered.

Mitchell have helped to elevate our footprint and people are traveling from further and further away. We sold out Spencer Iowa for a first year event back in March with no tickets available at the door as they all went pre-sale. Our other events were a

steady 1,000-1500 people per night with some over 2,000 a night.

Comments

Coaches Meeting: Coaches, Volleyball Coordinator and Referees Only! Friday October 11, 2024 at 8:30am.

The Dakota Oyate Challenge Board and Coordinator look forward to seeing you and your teams in October. This is a great way to showcase our Native American lady athletes, their style of play and their athleticism. Good Luck to you all! Let's have a great tournament.

What geographic areas are you bringing event participants from? Indicate geographic areas you are marketing for visitor attraction to your event.

We have 16 schools located in all geographic regions of South Dakota and Northeast Nebraska. Communities included are Tiospa Zina, Tiospaye Topa, Marty, Lower Brule, Crazy Horse Pine Ridge, Takini, Wapala, Red Cloud, Little Wound, Cheyenne Eagle Butte, Lakota Tech, St. Francis, Santee NE, Flandreau Indian School and Omaha Nation NE.

What are the specific goals for this event?

The goal is to grow in numbers (attendance) to give our student athletes the best possible sports experience possible. DOC strives to provide its students and fans an event that promotes healthy competition with a focus on our traditional games and traditions. The board knows that attendance at Volleyball games are relatively small and we hope by having a Volleyball tournament we can boost excitement and attendance for our Volleyball programs.

Explain how your grant request would be used to promote tourism in Mitchell? Note the resulting impact of your event if the request for funding were denied.

The Dakota Oyate Challenge board and teams actively promote the need to become patrons of local businesses in Mitchell. We hope that our community members will want to visit Mitchell for another event or just to enjoy a day taking in all Mitchell has to offer. The funds received would go directly back into the Mitchell economy. Monies will be used to offset expenses and help pay for officials, and coordinators. The result on not receiving the grant would be to increase the entry fees and require our schools to help offset any losses. This will negatively impact the ability for some schools to continue to participate in the Dakota Oyate Challenge Volleyball Tournament.
