Subject: City of Mitchell Business Improvement District Questionnaire

As you are aware, the City of Mitchell and local motels owners have established a Business Improvement District to include all motels except those located north of Sanborn Street inside the city limits of Mitchell, South Dakota. The purpose of the BID is to attract visitors to the city to spend money at local businesses and stay overnight in Mitchell motels. A BID Board has been established and charged with the duty to make decisions on how that money may be best spent for the defined purpose of the BID. The two-dollar per room night BID tax should generate approximately \$400,000 per year. Since this is a self-imposed tax by the motel owners the BID Board members would like to ask that all members of the BID complete the attached questionnaire to help give the BID Board guidance on what your priorities are and how you would like the funds spent. Priority will always be given to conferences and events that generate room nights for the participating motels. We value your input, and this is a great opportunity to voice your opinion and provide input on how this money should be spent. We would request that the questionnaire be filled out and returned by no later than November 27<sup>th</sup>. Thanks for your help and support in making the BID a success!
