Check all that apply	Application is submitted by a nonprofit or volunteer organization., This event will show a favorable impression of the Mitchell Area and promote Mitchell in a positive image., This event will be promoted to out of town visitors.
Please list any previous grant amounts the event has received from SEA.	We are a new organization founded in Fall 2025.

Additional previous event documents	<i>Field not completed.</i>
How will the requested grant amount be used?	Based on our expected home season schedule that should include around 36 home double-headers among 4 different age levels, we estimate about \$9,600 for umpire wages, at least \$2,800 in baseball equipment, around \$4,000 in city field use fees, and much more in coaching wages. We would use the requested grant to cover these umpire and city field and concession use costs, and other expenses required to hold home games at Drake Field and Cadwell Park. We will have many other expenses including baseball equipment, player jerseys, concession goods, and coaching wages.
How will proceeds/profit from the event be used?	We will sell concessions and charge a small gate fee for fans to attend our home games. Any profits collected will be used towards the many other season expenses, especially concession goods and coaching wages.

How many years has 0

this event been held?

---

Estimated hotel/motel room nights sold during last event.

First-Time Event

---

What % of attendance was visitor draw? (Visitor Outside 50+ Mile Radius)

This will vary among other baseball organizations and age levels. Some teams provide transportation for their players, while others depend on families. Younger teams have a higher percentage of parents and family that attend. On average, visitor attendance should average close to 25-35% visitors.

---

Attendance at last event (spectators, participants)

We do not have an accurate attendance count for past baseball seasons, but we expect around 36 home double-headers with away teams usually bringing 12-15 players plus coaches. Fan attendance should average around 45 fans per double-header.

---

Comments

We are a new organization starting with no prior assets. Our 2026 budget projects over \$90,000 in total expenses. This figure does not include registration fees for out-of-town tournaments, which could be over \$11,500. At the time of this application, we are still collecting player registration and putting together our summer schedules but expect to have around 36 home double-headers between the 4 age levels.

We are extremely appreciative of any support from the community to get Palace City Baseball started off on the right foot.

On-going Program

If this is a new event, what are the estimated hotel/motel room nights sold during this event?

How are you able to estimate the number range selected above?

In most cases, fans would not stay in a hotel for a home double-header.

---

Briefly describe the purpose of your organization; what your organization provides

The purpose of our organization is to provide a safe, welcoming, and competitive environment for young athletes to develop their baseball skills, build lifelong friendships, and foster a passion for the game. We are trying to make baseball in Mitchell accessible

to the community; the group of people you are targeting to bring into the community with this event?

to anyone that wants to play. Initially, we'll field teams at ages 13U through 18U but sincerely hope to work with younger teams in the future. Our long-term vision is for Palace City Baseball to provide a baseball career path for the youth of Mitchell, ages 5 to 18. Historically, being part of a baseball team in Mitchell prior to teenage years has sometimes depended on word-of-mouth and knowing someone with means. We'd like to help bring that opportunity to all our youth, promoting a thriving baseball program for the future.

Our organization brings fans of all ages to Mitchell to watch their kids, grandkids, siblings, and friends. The fans will be buying gas, eating at restaurants, and shopping at stores. Also, going forward, Mitchell will be granted the right to host half of the SD State Youth (9U-12U) baseball tournament in Mitchell two out of every three years, with Watertown and Brandon Valley being the other sites in that annual rotation. In 2026, that event will be held in Watertown and Brandon Valley, but should be in Mitchell in 2027 and 2028.

---

Describe your event. Be sure to include who, what, where, when, and how activities will take place.

The age groups for our events are 13U to 18U. Our events will be baseball games. The games will be played mostly at Drake Field but plan to have a few games at Cadwell Park as well. The home game schedule start around the end of May and conclude towards the end of July or possibly early August.

---

What geographic areas are you bringing event participants from? Indicate geographic areas you are marketing for visitor attraction to your event.

We are bringing in families from other SD Class A cities including Aberdeen, Watertown, Brookings, Brandon Valley, Tea, Pierre, Yankton, Renner, Sioux Falls, and possibly some from bordering states. We are still finalizing our schedules for the 2026 baseball season, but we are planning on around 8 double headers (16 games) for each age group. Since we will field at least 4 teams different age groups, we expect around 32 double headers or 64 total regular season games in Mitchell.

---

What are the specific goals for this event?

We aim to have fun, competitive, and entertaining baseball games, enriching the youth participating in them. We want fans to enjoy themselves at our terrific baseball facilities and share that experience with others in the greater baseball community.

---

Explain how your grant request would be used to promote tourism in Mitchell? Note the resulting impact of your event if the request for funding were denied.

As a new organization starting from scratch, earnestly trying to revitalize the baseball programs in Mitchell, we will depend heavily on the community support and the graciousness of others. One of our biggest challenges initially will be funding. We are seeking funding from charitable organizations such as the Mitchell Sports Event Authority and planning other fundraising activities including a raffle and advertising/sponsorship opportunities for businesses in Mitchell. A grant from the Mitchell Sports and Event Authority would make a huge impact on our very daunting task of raising a large sum of money from the community, much of which will need to come from corporate sponsors.

We cannot overstate how much this funding would mean to our organization and how important it is for the future of baseball in Mitchell. It's time to move forward together, and we humbly request your gracious help in this very important endeavor.
